

Group memberships

Purchase discounted memberships for your lab members!

Group memberships are available to research groups, labs or departments at universities, government agencies and companies. When you purchase a group membership, you ensure that your entire group has access to ASBMB funding opportunities, discounts, programming and events!

Details:

- Up to 20% off rates for qualifying member types: Graduate, early-career and undergraduate.
- Groups of at least 10 members.
- Purchaser must be a regular or industry member in good standing.
